

TECHTURE
DESIGNS INC

# Engineered for Automotive + Steel Manufacturing.

**Production supplies, custom components, and practical engineering support to keep Ontario operations moving.**

## WHAT WE DELIVER

### INDUSTRIAL CONSUMABLES

Lubricants, greases, adhesives, sealants, and specialty maintenance products

### CUSTOM PARTS AND TOOLING

Fixtures, jigs, guards, brackets, and replacement components designed for the job

### ENGINEERING SUPPORT

CAD design, part adaptation, prototyping, and practical production problem-solving

### SUPPLIER OPTIONS

Access to established brands and specialty products for automotive and steel operations

**ONE LOCAL PARTNER. MORE WAYS TO SUPPORT YOUR LINE.**

# Beyond Standard.

# Custom Parts + Engineering Support

TechTure Designs supports manufacturing teams with custom components and focused engineering work - from an early fit check through short-run production

## ENGINEERING SERVICES

- Custom SLA/SLS parts for fit checks, tooling, and production.
- Jigs, fixtures, alignment aids, guards, and brackets.
- Replacement parts and design adaptation for hard-to-source needs.
- Rapid prototyping for manufacturing use.

## APPLICATIONS & SUPPORT

| | |
|---|---|
| **PRODUCTION TOOLING** | Workholding, locating, alignment, and ergonomic aids for repeatable tasks. |
| **CUSTOM COMPONENTS** | Guards, covers, cable guides, housings, brackets, and replacement parts |
| **PROTOTYPE TO PRODUCTION** | Design refinement and short-run parts to support a real manufacturing need |

**BUILT AROUND THE EQUIPMENT, THE PART, AND THE PRODUCTION NEED.**

Share a drawing, sample, or problem area to start a practical review with TechTure Designs

# EVERYTHING YOUR PRODUCTION TEAM NEEDS, IN ONE PLACE

## INDUSTRIAL CONSUMABLES + SUPPLIER BRANDS

**Kluber | Molykote | DuPont Krytox | Dow Corning | OKS | Kanto Kasei**

**3M | Shin-Etsu | ThreeBond | Momentive | PLEXUS | AXIA**

**OKONG | Yamaichi | Sika | Solvay (Galden / Fomblin) | Ballistol**

### LUBRICANTS & MAINTENANCE

Grease, bearing lubrication, assembly compounds, and specialty maintenance products

### ADHESIVES, SEALANTS & FLUIDS

Supplier-list options for bonding, sealing, thermal management, and specialty processes

### ENGINEERING & CUSTOM PARTS

SLA/SLS components, jigs, fixtures, guards, and replacement-part support

## FEATURED KLUBER GREASES

| SELECTED PRODUCT |
| --- |
| Amblygon TA 15/2 |
| Isoflex TOPAS NB152 |
| Klubertemp GR AR 555 |

More catalogue examples: Krytox GPL205 | Molykote BR2 | OKS 511
Additional products and engineering services can be matched to the application. Confirm availability and fit
